### Image Files

You can check the image files that are saved.

+	Maximize/minimize
	View one image page
	View multiple image pages (maximum of 4 pages)
	Detailed information of images
Ē	Print

### Sharing, Export and Delete

#### Sharing

You can share the data by using various methods supported by your tablet.

### Export

You can export the data through an external saving device.

### Delete

You can delete the data via Delete button.

# Data Copy

You can copy and paste the data files saved in VCI to your tablet PC.

Select a data to copy, and touch 'Data Copy' button.

\* It is saved in the file path of NvciData/Record of internal storage device.
