

GDS-SMART

Installation Guide GDS Smart-RND

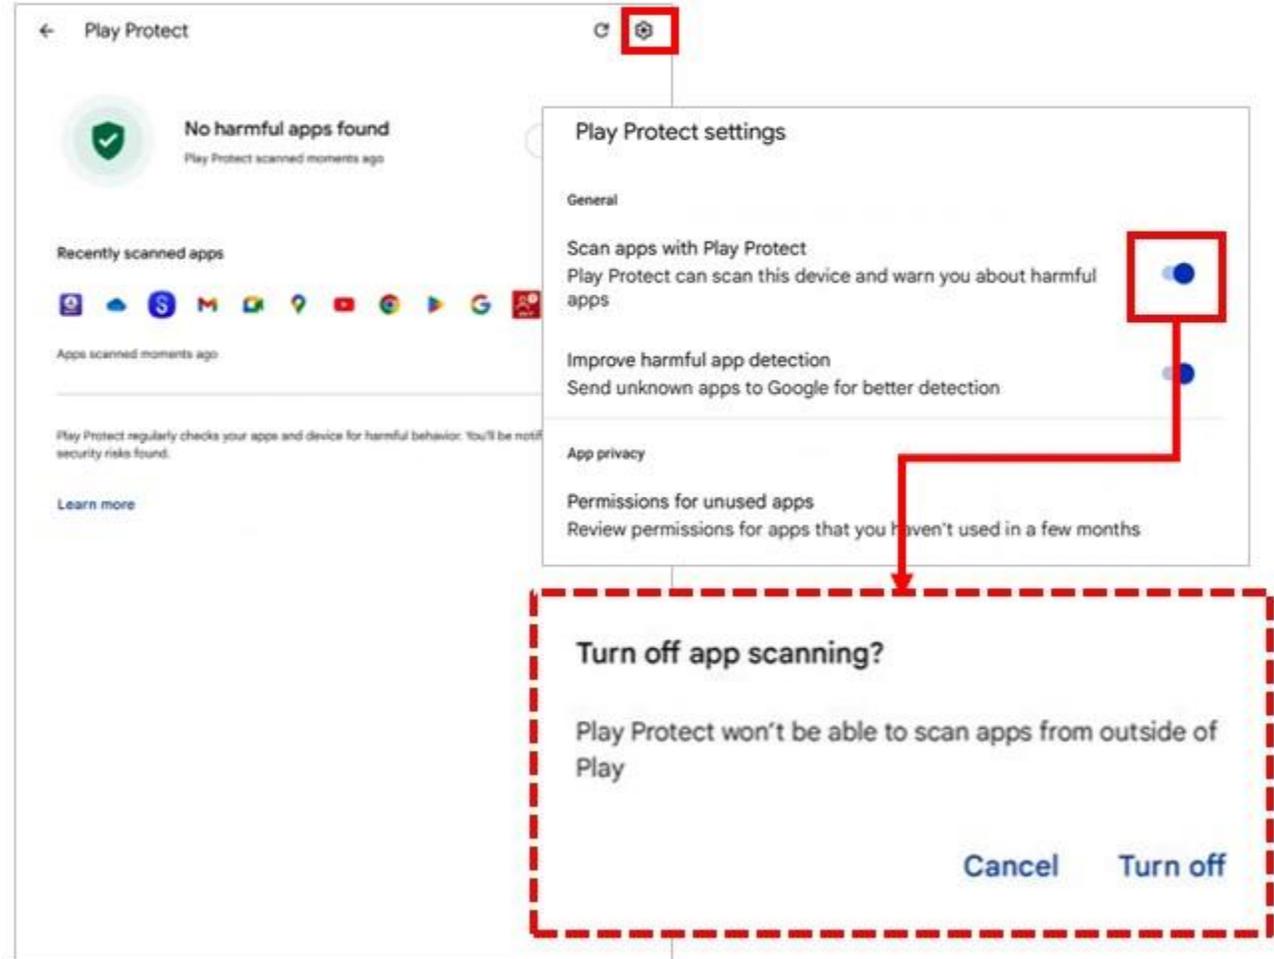

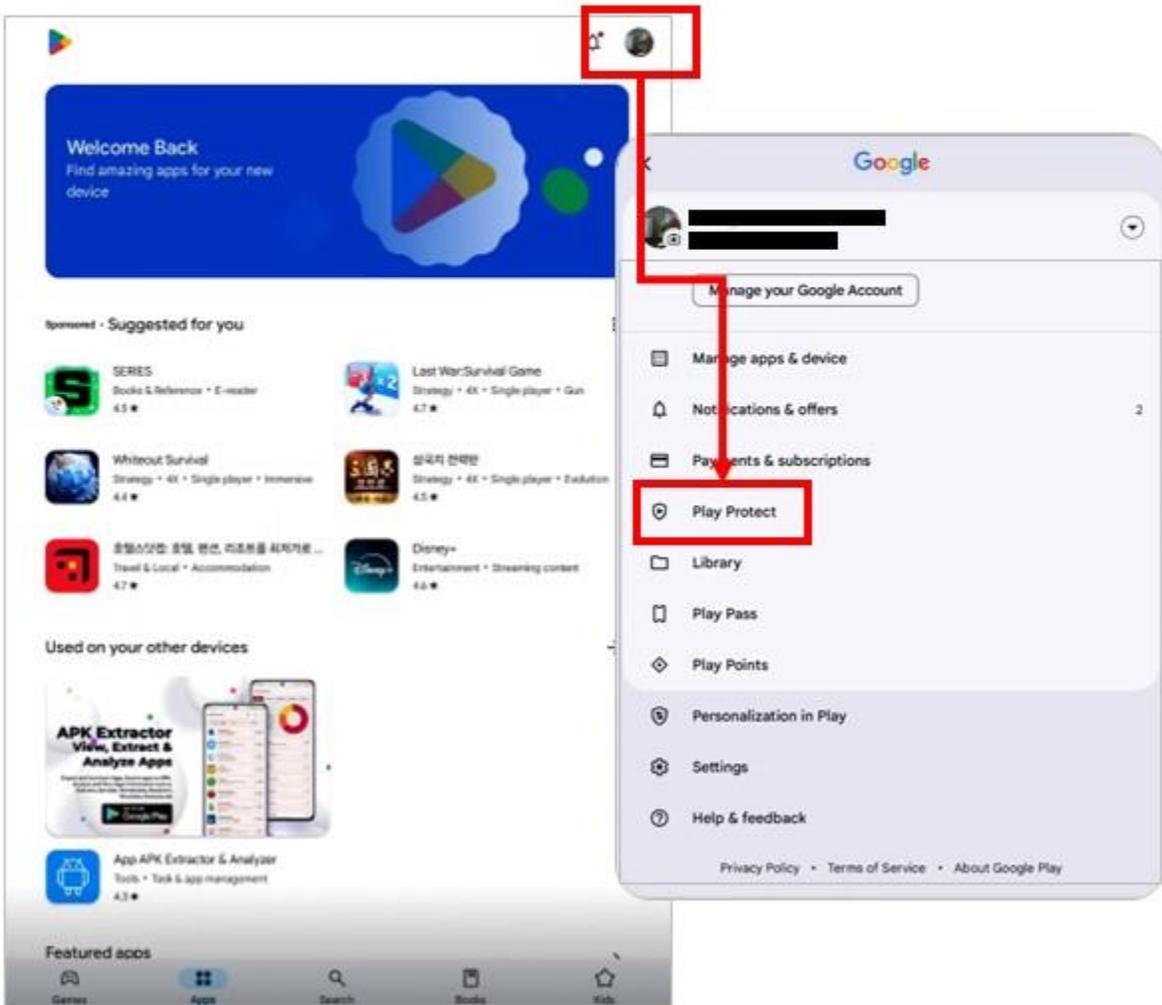

PLEASE NOTE

For a smooth installation, please disable "Play Protect" before starting the installation

Disabling Google Play Protect may expose your device to harmful apps.

Only disable it temporarily if needed for the installation or further updates, and make sure to re-enable it after completion

Select "More details" and "Install without scanning" to proceed with the installation
If you choose "Scan app" or "Don't install app", the installation may fail or not proceed

Google Play Protect

App scan recommended

SmartLauncher

Play Protect hasn't seen this app before. To protect your device and data, send this app to Google for a security scan.
